

Appl. No. 09/775,278
Response dated September 14, 2006
Reply to Office Action of March 8, 2006

REMARKS

This is a supplemental response to the Office Action dated March 8, 2006. Claims 60-65, 67-76, 94-106 and 124-133 are pending in the application. No claim stands allowed. New claims 134 - 140 are believed patentable for the same reason that the other claims were argued as patentable in the response dated June 7, 2006. Further, new claims 134 - 140 are narrower in scope than the other claims of record.

In view of the amendments of the claims and arguments of counsel, applicant requests reexamination of the application and a Notice of Allowance.

Should the Examiner feel that a telephone conference would advance the prosecution of this application, she is encouraged to contact the undersigned at the telephone number listed below.

Applicant respectfully petitions the Commissioner for any extension of time necessary to render this paper timely.

Please charge any fees due or credit any overpayment to Deposit Account No. 50-0694.

Respectfully submitted,

/ccg/
